

Free sampler

www.roland-designs.com

This is a special free sampler that will be offered in 12 parts, starting the 1 st of July 2012, and finishing on the 1 st of June 2013.

The sampler will consist of vintage/antique alphabets, borders, and Berlin style floral.

Size 135 x 300 stitches

9,64 x 21,43 inches on 14 ct

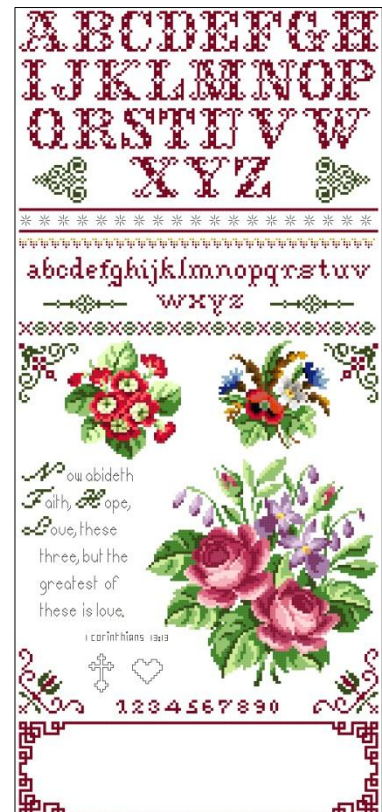

8,44 x 18,75 inches on 16 ct

7,5 x 16,67 inches on 18 ct

I would recommend stitching it on linen, with silk threads... just like the samplers of yore. But, I will also give the thread key with DMC threads for those who wish.

Be sure to remember that you need at least 4 or more inches extra all around to have room for framing.

There is a place for a dedication, and/or signature at the bottom of the sampler.

Victoria Clayton silk threads can
 be purchased here:

<http://www.hand-dyedfibers.com>

This sampler was originally
 designed for the silk threads, the
 DMC conversion is taken from
 the dyers own site.

If you find any mistakes, or have
 any suggestions, or questions
 please feel free to write me at :

You can easily replace the bead
 work with cross stiches, or
 French knots.

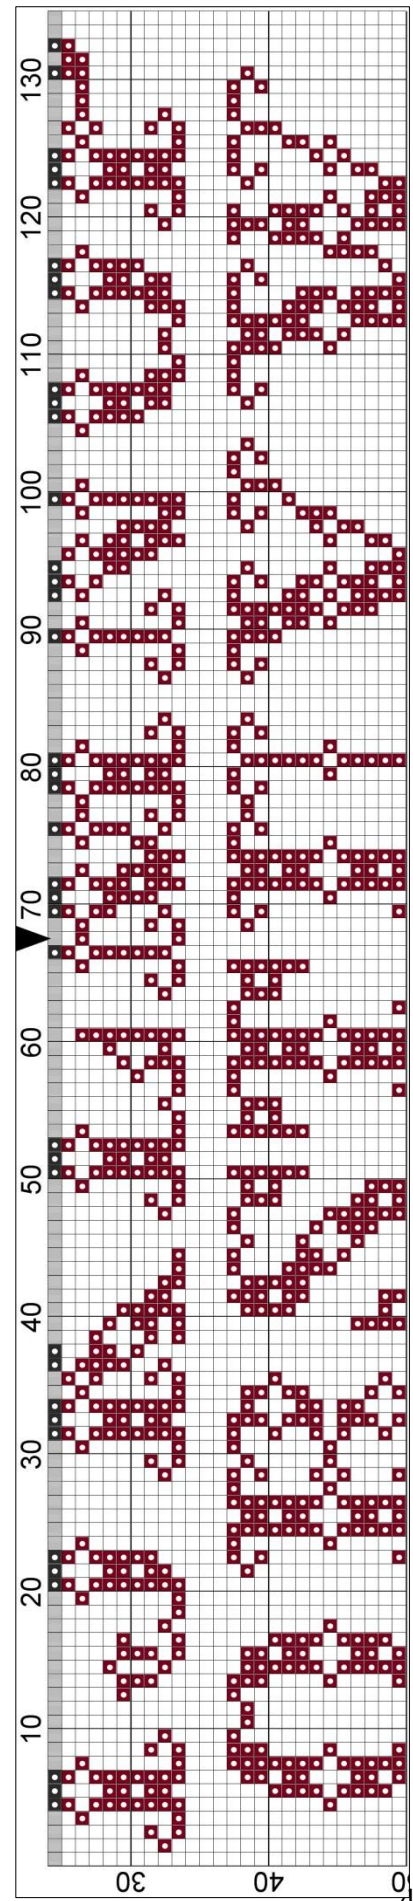

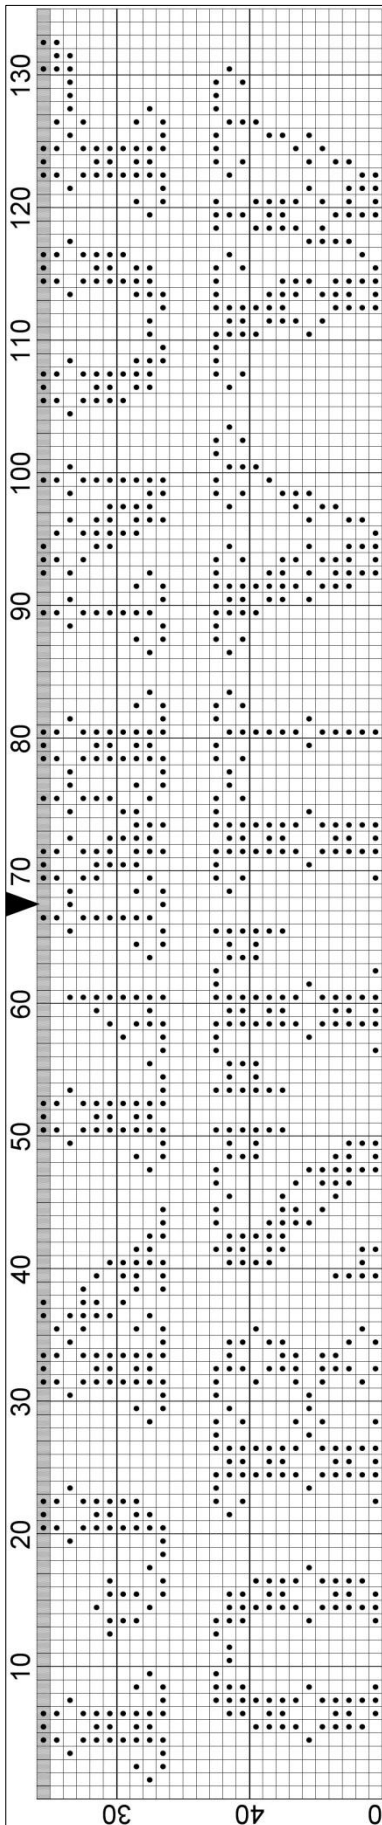

If you stitch on linen why not
 make the flowers centers in petit
 point ? Or beads ?

Have fun adapting this sampler !

Now we come to the 'Blank spot', use it as you wish.

One idea is to write the date you completed this sample, along with your name.

Another is to write a little poem, or saying that you like.

You could use it to write a special date, birth, wedding, etc....

Have fun !

Part 12
