

Peace on earth

www.roland-designs.com

A lovely little Christmas ornament featuring petit point and cross stitch.

Though it is traditional to decorate the tree with your flag in Scandinavia I added the Norwegian flag in remembrance of the 22 July 2011, when the country was shaken by the tragic death of 77 innocents in one afternoon's massacre by a single mad man.

You can change the flag to represent your country, or omit it all together if you wish.

Designed and stitched by Laura Martin, and Virginie Lykins

BackStitch Lines

DMC 310 black

Other

- 22 ct natural coloured linen.
- Polyester fill.
- A 20 cm ribbon.
- Regular sewing thread colour matched to the linen.
- 1. Stitch on 28 ct linen
- 2. Make it either double or one sided (you could always add you initials in the back)
- 3. Sew the front and back together, then stuff with polyester filling, or cotton.
- 4. Before you finish sewing all around attach a little ribbon.

There is a sample of other flags, but if you need help to chart your country, just write me and I will help you :

virginielykins@yahoo.com

I've added a detail of the window with the back stitch, and petit point's colours for easier definition.

You could also stitch the house in whole cross stitch, but take notice that the size will be different and the border will not be big enough.
